DIVISION MEMORANDUM

No. 160 s. 2023

TO: ALL DISTRICT SUPERVISORS

FROM: VIVIAN LUZ S. PAGATPATAN, PHD, CESO VI
OIC, Office of The Schools Division Superintendent

SUBJECT: RESULTS OF THE MONITORING OF THE OH-GULAY (ORGANIKONG HALAMANAN AT GULAYAN UPANG LINANGIN ANG WASTONG ASAL NA YAMAN) FOR SY 2023-2024

PARTICULARS

1. As one of the approved activities of EPP/TLE/TVE/TVL, SY 2023-2024, the OH-GULAY was monitored by assigned officials on November 21-23, 2023.

2. The monitoring officials were armed with the Monitoring Tool prepared by the Division Office through the EPS-in-charge of the program in the form of checklist, focusing on two levels of implementation, as follows:

a. Worthy of Recognition (WOR)

This level of implementation was given to all schools that met at least 80% of the items found in the monitoring checklist. Simply put, these schools have achieved the minimum rating of satisfaction set by the Division Office, hence, they deserve to be commended.

b. Needs Additional Effort (NAE)

This level of implementation was accorded to all schools that seemingly are wanting of the required amenities of the program as indicated in the Checklist. In other words, they need more effort and dedication to meet the standard set by the Division Office.

3. As basis for better implementation of the program next school year, a simple and holistic statistical analysis/interpretation of the result is hereby presented, as follows:

Comparative percentage of implementation among districts shows the following to have exerted remarkable commitment in implementing the

Guico Street, Canarvacanan, Binalonan, Pangasinan

DepEd Pangasinan II
Infoboard Group

pangasinan2@deped.gov.ph

www.depedpang2.ph

program, for having achieved overwhelming percentage of schools that were classified under Worthy of Recognition:

Distict	No. of schools in the District	Percentage and number that are under WOR
Sto. Tomas	4	100% (4)
San Quintin	16	87% (14)
San Nicolas II	12	83% (10)
Sison	26	76% (20)

4. The implementation of the OH-GULAY is in compliance with DepEd Issuances namely: DepEd Memorandum 223, s. 2016; DepEd Memorandum no. 293, s. 2007, likewise it is as a relevant and tangible output of students in EPP/TLE/TVE/TVL particularly in the Agriculture component of the Learning Area. It is therefore the concern of all schools to give more attention to it so that the goal behind its conceptualization will be achieved.

For schools that are under NAE (Needs Additional Effort), they need to exert selfless effort to go to a more laudable level of performance.

5. For reference purposes, the percentage and number of schools that are under WOR per district is enclosed. Also, attached is the list of schools under WOR and NAE.

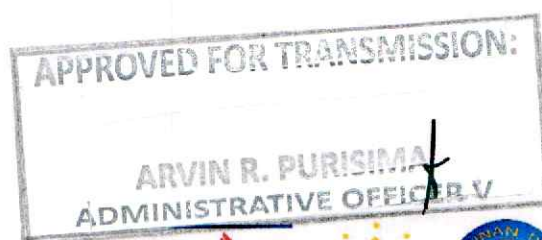

In the Secondary, comparative percentage of implementation among clustered municipalities shows the following to have garnered overwhelming high percentage of schools that were classified under WOR:

Clustered Municipalities	No. of schools in the Cluster	Percentage and number of schools under WOR
Alcala, Bautista, Villasis, Sto. Tomas	19	78% (15)
Sison, Laoac	18	72% (13)

6. Congratulations to all districts/clusters/schools that satisfied the monitoring officials. To those that did not make it, this Office requests them to put more effort and achieve a better implementation next school year.

7. As incentive, Certificate of Recognition will be awarded to all schools under WOR.

8. For widest dissemination.
