1. Relative to the attached Memorandum from the Office of the Undersecretary for Operations tagged as DM-OUOPS-2024-11-01978 dated March 11, 2024, The Department of Education (DepEd), through the Bureau of Learner Support Services – Youth Formation Division (BLSS-YFD), in partnership with the Southeast Asian Ministers of Education Organization Regional Center for Educational Innovation and Technology (SEAMEO INNOTECH), will conduct a research and development project titled, Career Development for Children (CD4C): Technical Assistance on Developing Career Guidance Resources for Key Stage 1.
2. The project consists of two phases: the research phase and the development phase. The *research phase* intends to review how elementary-level career guidance implementers provide career guidance activities for key stage 1 learners and determine the needed teaching and learning resources that career guidance implementers can use to equip key stage 1 learners with age-appropriate career development skills. The *development phase*, on the other hand, will focus on creating career guidance teaching and learning resources specifically designed for key stage 1 learners.
3. Within the context of research phase, an online national survey will be conducted from March 15 to 29, 2024 to gather information about how elementary-level career guidance implementers provide career guidance activities for key stage 1 learners.
4. In this light, all registered guidance counselors and guidance designates of DepEd elementary schools are enjoined to participate in this online survey thru this link: [https://www.research.net/r/cd4c\\_nationalsurvey](https://www.research.net/r/cd4c_nationalsurvey).
