Regional Office I

Sir:

Greetings of Peace and Love from the Regional Science High School for Region I Family!

It is rather extraordinary that human nature dictates the capacity of each individual to keep on moving every after storm thus, eager to accomplish more amidst the many hardships that life itself imposes. One example of this is the pursuit of achievement specially in academics and in **continuing the legacy of excellence for RSHS for RI** even after the onslaught of COVID-19.

In light of this, the undersigned respectfully requests your office to allow our institution to hold its customary **screening procedures for incoming Grade 7 and Grade 10 learners**, since we are on a full blast face-to-face type of classes. Our schedule for our **first screening examination** will be on the following dates, to wit:

1. April 15, 2023
2. April 22, 2023
3. April 29, 2023
4. May 6, 2023

The examination is offered to candidates for Graduation in the Elementary level and candidates for Completion in the Junior High School whose quarterly rating in Science, English, and Mathematics is 85% and above; and at least 83% for other subjects. Further, the examination is focused on Science, English and Mathematics proficiency and it will be conducted in two (2) sessions. First session is in the morning at 8:00-12:00 and the second session is in the afternoon at 1:00-5:00. Examinees are instructed to bring a photocopy of their report card/SF9 for the First Two Quarters.
